

flashy P.R. gestures. Consequently, Senator ENZI and I have decided to re-introduce the bill in the 106th Congress.

Mr. President, to the veterans of Wyoming, and the United States as a whole, the bells represent a lasting memorial to those fifty-four American soldiers killed as a result of an unprovoked insurgent attack in Balangiga on September 28, 1901. In their view, which I share, any attempt to remove either or both of the bells—and in doing so actually physically dismantling a war memorial—is a desecration of that memory.

S. 404 will protect the bells and similar veterans memorials from such an ignoble fate. The bill is quite simple; it prohibits the transfer of a veterans memorial or any portion thereof to a foreign country or government unless specifically authorized by law; Representative BARBARA CUBIN is introducing similar legislation this week in the House. I am pleased to be joined by Senators ENZI, HELMS, HAGEL, SMITH of Oregon, MURKOWSKI, SMITH of New Hampshire, ROBERTS, SESSIONS, NICKLES, and COVERDELL as original cosponsors. I trust that my colleagues will support its swift passage.●

STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. MURKOWSKI:

S. 426. A bill to amend the Alaska Native Claims Settlement Act, to provide for a land exchange between the Secretary of Agriculture and the Huna Totem Corporation, and for other purposes; to the Committee on Energy and Natural Resources.

KAKE TRIBAL CORPORATION PUBLIC INTEREST LAND EXCHANGE ACT

Mr. MURKOWSKI. Mr. President, today I rise to introduce two similar bills both of which passed the Senate last year with unanimous consent. One of these bills amends the Alaska Native Claims Settlement Act (ANCSA), to provide for a land exchange between the Secretary of Agriculture and the Huna Totem Corporation, a village corporation created under that Act. The other bill provides for a similar land exchange between the Secretary and the Kake Tribal Corporation. Both of these bills will allow the Kake Tribal and Huna Totem Corporations to convey land needed as municipal watersheds in their surrounding communities to the Secretary in exchange for other Forest Service lands.

Enactment of these bills will meet two objectives. First, the two corporations will finally be able to fully recognize the economic benefits promised to them under ANCSA. Second, the watersheds that supply the communities of Hoonah, Alaska and Kake, Alaska will be protected in order to provide safe water for those communities.

The legislation I offer today clarifies several issues that were raised during the Committee hearings and mark-up last year. First, the legislation directs that the subsurface estates owned by Sealaska Corporation in the Huna and Kake exchange lands are exchanged for similar subsurface estates in the conveyed Forest Service lands. Second the substitute clarifies that these exchanges are to be done on an equal value basis. Both the Secretary of Agriculture and the corporations insisted on this provision. I believe this is critical, Mr. President, because both these bills provide that any timber derived from the newly acquired Corporation lands be processed in-state, a requirement that does not currently exist on the watershed lands the corporations are exchanging. Therefore, if this exchange simply were done on an acre-for-acre basis it is likely that the acreage the corporations are exchanging, without any timber export restrictions, would have a much higher value than what they would get in return. It is for this reason that these exchanges will not be done on an acre-for-acre basis. If it ends up that either party has to receive additional compensation, either in additional lands or in cash to equalize the value, then it is my hope this will be done in an expeditious way to allow the exchange to move forward within the times specified in the legislation.

I believe these two pieces of legislation are in the best interest of the na-

tive corporations, the Alaska communities where the watersheds are located, and the Federal government. It is my intention to try and pass these bills out of the Senate Energy and Natural Resources Committee at the earliest opportunity.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 426
